**Sick and Medication Policy**

Only prescription medication will be given to your child. Please be sure to sign an authorization form from the Director.

If your child is sent home ill and a doctor’s visit is not necessary, then your child must remain home for a 24 hour “get well period”. Please have a back up person who can pick up your child if you cannot leave work. If your child has been seen by a doctor, please bring a note from the doctor stating that your child is no longer contagious and is well enough to attend. When your child returns to the center, if their condition should deteriorate and appear to be not improving, we would request another doctor’s note stating that your child can be at the center.

**We would use the following guidelines when we send a child home:**

- Fever (Over 100 Degrees)
- Heavy or excessive coughing
- Discharge from the nose that is colored
- Vomiting or diarrhea
- An unusual rash
